2023 Creek Week Sponsorship Request

Spring 2023

Dear Valued Community Partner,

The Fountain Creek Watershed District is excited to host the **10th Annual Creek Week Cleanup September 30th through October 8th 2023**. This 9-day event unites the Fountain Creek Watershed communities (from Palmer Lake to Pueblo and beyond), and is the largest watershed-wide cleanup in the State of Colorado! We rely on the generosity of sponsors like you, and **we need your help to make these cleanups happen!**

2022 Litter Letter Project

Creek Crew

Litter is unsightly and causes serious problems in our community. Litter clogs and pollutes our waterways and stormwater systems, reduces property values, harms wildlife habitat, and deteriorates water quality.

Over the past 9 years, 19,935 volunteers have removed over 138 tons of litter!

In honor of our 10th Annual Creek Week Cleanup, we have a goal of engaging 4,000 volunteers during this year's effort. We need your help to make this happen.

Donations from sponsors like you will support our goal of making this the most impactful effort to date. Sponsorship directly supports volunteer recruitment, event promotion, advertising, supplies, services, and public education on litter prevention. Your monetary and /or in-kind contributions support protection of our home watershed locally and downstream, all the way to the Gulf of Mexico!

WE NEED YOUR SUPPORT

Please review the levels and benefits for sponsorship this year, and consider a larger contribution to aid in this year's Creek Week Cleanup and associated events.

2023 SPONSORSHIP LEVELS AND BENEFITS

Sponsorship Category	Donation Amount	Promo Video*	Logo on website	Social Media Mentions	Invite to VIP event*	Logo on Volunteer Swag
